

There are things a mask can't stop

FREE VIRTUAL SUPPORT GROUP FOR FIRST-RESPONDERS

Whether you are a physician, nurse, technician or scribe, you dedicate your life to serving, protecting, and caring for the health and safety of others. COVID-19 affects more than just those stricken by the virus. It affects the lives of those who sacrifice to care for those in need.

We are here to care for you so that you continue caring for the people who depend on you.

Starting Thursday, May 28th

7:00 pm – 8:00 pm for 6 weeks
